

THE STATE OF TEXAS

GOVERNOR

*To all to whom these presents shall come,
Greetings: Know ye that this official recognition is presented
to all observing*

Eye Donation Month

November 2024

Since 1961, sight has been restored to nearly two million grateful Americans, thanks to highly trained surgeons and eye bank technicians. These life-altering operations are made possible by the generosity of eye, cornea, and eye tissue donors.

Because most eye donations occur postmortem, each of us can advance this important cause by becoming an organ donor. As eye and corneal tissue donors, we can make a lasting, charitable impact on the world even after we leave it.

During this observance and hereafter, I encourage all Texans to educate themselves on the hard work that surgeons and eye bank technicians do and to consider registering as a donor. Together, we can all see the beauty of the Lone Star State.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Eye Donation Month with befitting programs and activities.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 26th day of August, 2024.

A handwritten signature in black ink, reading "Greg Abbott".

Greg Abbott
Governor of Texas
